Abdullah Shahid

Full-Stack Web Developer | Laravel Developer | Python Developer

Lahore, Pakistan | abdullahshahidkamboh@gmail.com | ask-development.infy.uk

PROFILE

Full-stack web developer with professional experience in Laravel, PHP, MySQL, Vue.js, WordPress, JavaScript and Python. Currently a Full Stack Developer at Globex IT Solutions, building internal business portals. Experienced in ERP modules, large-scale data scraping, e-commerce builds and WordPress migrations, and has published two Laravel packages for the community.

EXPERIENCE

Full Stack Developer – Globex IT Solutions 11/2025 – Present

- Built an internal portal covering processors, accountant, helpdesk, inventory and query, QC and dashboards.
- Worked on email automation and responses across 90+ workspace emails.

Laravel Developer – Indus BPO 11/2024 – 10/2026

- Developed and maintained full-stack Laravel applications, including an ERP with accounting, sales, task/project management and insurance management modules.
- Managed WordPress sites, resolved issues, and migrated 100+ WordPress sites to another server.
- Built landing pages and 4–5 websites with a web builder, and rebuilt existing sites in the builder.
- Built an SEO tool that finds a business's competitors and gathers backlinks, social media posts and related data.

Intern – DK Interns 6-month internship

PROJECTS

Large-Scale Manga Data Collection System Python

- Built a scraping and automation system that collected, processed and organized 800,000+ manga chapters from multiple online sources.
- Implemented data validation, storage optimization, automated processing workflows and scalable scraping for high-volume data.
- Also built the full manga website on top of the collected data.

Client and Independent Websites Laravel

- **Bakery** and **natural medicine** e-commerce platforms.
- **Food marketplace** where vendors register and list their own products.
- **IT services agency** website offering app, web and digital solutions.
- Built and published **2 Laravel packages** to contribute to the community.
